ABOUT US

Maidstone Furniture & Kitchens is a proudly family-owned and operated business founded in 2017 by father-and-son duo, Wayne and Ross Parry. Based in the tranquil countryside of Theescombe, Gqeberha, our workshop is where timeless craftsmanship meets thoughtful design.

Rooted in family values and a shared passion for quality, we specialize in handmade furniture and bespoke joinery, delivering tailored solutions with a personal touch. Whether you're looking for a custom-built kitchen, a multifunctional furniture piece, or a full turn-key interior transformation, we bring your vision to life with care, creativity, and precision.

Wayne & Ross Parry

Every item is manufactured in our own factory, using a curated mix of durable materials such as Plywood, MDF, Melamine Board, and Solid Woods. We also offer the integration of natural or engineered stone surfaces, creating seamless designs that are both elegant and enduring.

What sets our work apart is our commitment to craftsmanship. Each piece is carefully handcrafted, hand-painted or professionally sprayed, ensuring not only superior finish quality but also easy maintenance and the ability to adapt to future color preferences.

Many of our furniture designs are modular and multifunctional, making them flexible enough to move between rooms and evolve with your needs. For the hands-on homeowner, our off-the-shelf modular kitchen cabinet range offers a convenient self-installation option without compromising on style or quality.

At Maidstone Furniture & Kitchens, we don't just make furniture - we create spaces that feel like home.

We offer a full design and installation service, guiding you through every step - from the initial concept and detailed planning to the final flawless fit. Whether you're renovating a kitchen, fitting out a new build, or reimagining your living space, our experienced team ensures a smooth, stress-free process with exceptional results. For contractors and keen DIYers, we also provide precise cutting lists and professional shop-fitting drawings, giving you the freedom to bring our designs to life with your own hands or trusted team, while still benefiting from our expert planning and quality standards.

STAGE 1: BASIC DESIGN & QUOTE

The initial design and quote is free of charge. An appointment can be scheduled. Design style is determined and site measurements are taken.

> 50sqm: Free
< 50-100sqm: Free
100 sqm + : Free

STAGE 2: FULL RENDERED DESIGN

We begin with a detailed, fully rendered 3D design of your space, so you can see exactly how your new kitchen or furniture will look and function before production – helping you make confident choices and ensuring the final result matches your vision.

> 50sqm: R2,500
< 50-100sqm: R3,500
100 sqm + : R4,500
