# Our Story

"Maidstone Furniture and Kitchens is a family owned, family run and family orientated business that was started in 2017.

My daughter wanted to get married at home and we soon realized that various furniture pieces would be needed to turn an uninspiring tent into a homely space. Guest rooms, for those attending from afar, also needed to be fixed-up. So turning my hand to getting the job done, I discovered a new talent and passion and Maidstone Furniture and Kitchens was born. "

- Wayne & Ross Parry -

# What we do

We specialize in quality hand made furniture and cabinetry. All our cabinetry and furniture is manufactured in our factory situated in the beautiful countryside neighbourhood of Theescombe, Gqeberha. We use a combination of high quality and durable MDF/Superwood, Melamine Board and Solid Pine. Incorporating solid woods, natural and engineered stone into our kitchens is also an option.

Each piece is hand crafted thus ensuring the uppermost quality. Because our furniture is hand painted or sprayed our pieces are easy to maintain and a color change is possible should your palette change over time. Some of our furniture has been designed to be multi-functional and with a little adjustment can be used in different rooms to serve different functions.

Our modular kitchen cabinet range can be bought off-shelf and self-installed. As we have grown, we realized that there was a need for something a bit extra and so we now offer a design and installation option or what we like to call The Maidstone Experience.

# THE *Maidstone* EXPERIENCE

1

## *We measure*

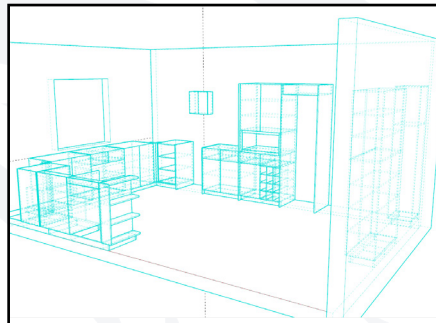

We will do a site visit to give you a quotation. Quotations are free of charge. We will measure the space and familiarize ourselves with said space in order to give you the best design possible.

2

## *We design*

Using 3D modeling software, we design your desired pieces and provide you with renders in order to get on the same page.

3

## *You view*

During the design process, you may view our flagship kitchen and factory to better understand what Maidstone has to offer.

4

## *We build*

Once the design is finalized, a deposit made and an installation date agreed upon, we begin building and painting your units in order to be ready for installation.

5

## *We install*

We pride ourselves on delivering on time. Our installation teams are friendly and efficient thus allowing for a smooth and stress-free process.

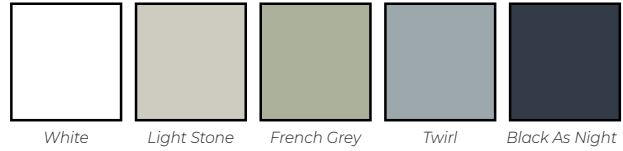

# Product Catalogue

## Center Piece RANGE

Although we have three standard pieces in this range, our Center Piece Range is created by using a combination of our standard kitchen units thus enabling you to create a center island or dresser that is perfect for you.

Welsh Dresser  
2200H x 1000W x 600D

R9,595.00

Large Center Island  
912H x 1460W x 1060D

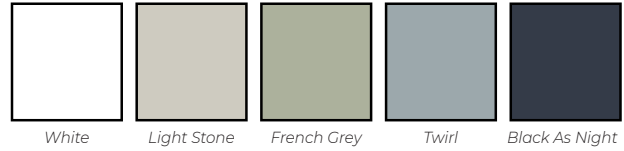

R16,995.00

Medium Center Island  
912H x 1060W 855D

R10,995.00

## Utilities RANGE

Our Utilities range provides ample and stylish storage for the mundane but necessary parts of everyday life. Our broom cupboard and sink cabinet provides storage for all those items needed to keep your home gleaming. Our Multipurpose Cupboard can be used for just about anything; linen, groceries or toys; it also makes for a very nice free standing wardrobe.
